Judgment

21/02/2017

By this writ petition, a challenge is made to the order dated 18.2.2008, passed by Chief Information Commissioner, Jaipur Rajasthan.

By the impugned order, the Chief Information Commissioner directed the RPSC to supply certain information pertaining to selection of the year 2005 for the post of Head Master. It is admitted by learned counsel for the parties that the process of selection had been completed in the year 2008 itself and, otherwise, all desired information was given to the non-petitioners other than one. The information about cut-off marks of screening test was not supplied. However, it is stated by learned counsel for petitioner that no cut-off marks were provided for screening test rather list was arranged three times to the vacant post.

Taking into consideration the fact aforesaid and as the recruitment to the post of Head Master was completed in the year 2008 thus no purpose remains to maintain the order dated 18.2.2008 even for cut-off marks of screening test when it has not been provided.

In view of above, the writ petition is allowed. The impugned order dated 18.2.2008 is set aside.
